Recommendation

*“ We had the pleasure of having Kévin as an intern at Int. for six months in 2017. He is young, **eager, positive person** with already a **wide range of skills - design of user interfaces, prototyping and front end coding** - to name a few. He takes **initiative**, and has a lot of drive that **improves the team** around him. ”*

Håvard Gjelseth -
Creative Director at Int.
